Master the **Inside Game** and Succeed in the **Outside World**

We live in a time when automation, technology and tools of convenience dominate our lives. How quickly can we get from point A to point B? How clear can our cell phone connection be? Can we surf the internet while we're on the train going to work? How fast is our internet speed? Our lives have turned into repeating cycles of how much we can get and how fast we can get it.

I think technology is wonderful. I have always enjoyed using it. These tools are very useful. Yet, they are all part of the external world experience. We are losing touch of our internal world experience. We are spiritual beings having a physical experience. Not the other way around. When we forget that, and identify only with the physical, we cut ourselves off from the highest form of technology there is or ever will be ... God consciousness.

Lately, as time continues to expand and accelerate, I speak to people all the time who are experiencing high levels of anxiety, worry and frustration at unparalleled levels to what I saw even 15-years ago. My counsel is often around stopping the noise from the external. When the noise of the external ... i.e. technology, ambition, commitments, taxes, traffic, body image, etc. dominate our perspective we disconnect ourselves from our power source. We literally get in the way of what it is we say we want ... happiness, well being, prosperity, and love.

In a recent PBS special Wayne Dyer said it beautifully when he talked about the most important relationship we have in life. It is not with ourselves. It is our relationship to Source ... that relationship helps us reveal ourselves to ourselves.

I see it everyday in my life and in my practice. When we master the inside game, the outside world lands at our feet. I think of it a lot like the movie the Matrix. In the first installment, at the end of the movie, Keanu Reeves finally "gets it", and suddenly the Matrix is at his control. His vibration is so much more rapid than that of the Matrix that he actually has to slow down to work within it.

Dear Friends,

This month I write to you with incredible gratitude and appreciation. This month I received an offer from a wonderful radio station in Los Angeles. The station is one of the highest rated radio talk stations in the country. KTLK1150 AM. Or www.ktlkam1150.com. They are in the number one market in the country. They are the #2 station in Los Angeles. I will have permanent slot every Sunday, from Noon to 1:00 p.m. pacific standard time.

The KTLK show will focus on your ON-AIR READINGS with me. I will answer your personal questions, and all things psychic. I hope you'll join me every Sunday for readings, spiritual dialogue and a psychic look at current events.

KTLK has a huge listenership. If you have a product or service to advertise, you will not find a better opportunity than on this station.

If you are not on the West Coast, you can listen online at www.ktlkam1150.com. They have a toll free call-in number that is: **1-877-520-1150**. You can call me as if you were calling www.contacttalkradio.com and listen in on your computer. FYI, I will still be doing Contacttalkradio every Tuesday.

The new show will premiere on KTLK on September 6th. As a special offering to all my clients and friends, for anyone who calls, you will receive a copy of my new book, with Dr. Wayne Dyer, "**Bouncing Back, Thriving in Changing Times.**"

I want to thank all of you for your continued support over the years. With your help I have been able to keep working, and spread the message about God consciousness and working with energy. I am blessed and honored to have this job.

Thank you. I look forward to talking with you in person or on the air!

Love and light,

Do You Want a Reading?

Phyllis regularly hosts two-hour **Group Reading Events**. The cost is \$45.00 per person. The maximum group size is 16 people. If you have not experienced this atmosphere, I encourage you to do so. Not only is the cost less than a one-on-one reading, but the energy raises to a dynamic level in the room, and most people find it extremely powerful. As you listen to the answers others receive, you often hear your circumstance in other people's question. Check the website - www.phyllisking.net - regularly for new dates and locations.

Would you like to host a group reading event?

With a minimum of 16 people, Phyllis will come to your home or a selected location. For smaller groups, you can make up the difference per person. Call Phyllis directly at **925.362.3083**.

Reservations and prepayment are required for all group events and can be completed at: www.phyllisking.net/readings_group.html. Please email me at: Phyllis@Phyllisking.net, or call **925.362.3083**.

Master the **Inside Game** continued from page 1 and Succeed in the **Outside World**

As you approach each day...**REMEMBER** who you are. Remember the true matrix you are living in. You are God. God is in your DNA. When you work from that perspective back, life takes on a very different view. One day, you will not have a body any longer. You are energy. Energy does not die. It only changes form. The energy that lives on is the essence of you. Your God consciousness. Put your attention there, on the infinite nature of universal consciousness.

You will experience unlimited peace and contentment. Put gasoline on that fire. Not on the fire of the external. I promise you life will take on a completely different perspective.

Love and light,

Phyllis is a featured writer twice a month in the **SOUL'S CODE** Magazine, based out of San Francisco!

You can also access it online at

“Collective Wisdom - Powerful Stories and Practical Advice for Achieving Success,” this inspirational anthology which I've contributed to, will be coming out on February 24th! Copies will be available at my website.
